

# Ping and Heidi Leong

Ping and Heidi currently serve with Wycliffe Switzerland along with their two boys, Benaja and Esra. Ping is a long-time member of the church and was sent out by GBC. After serving for two years with Operation Mobilization (OM) in Central Asia, Ping joined New Tribes to work in Bible translation. From 2007, the Leongs served in Indonesia, working to translate and teach the Bible in the Saluan language. They began to develop a Saluan dictionary in partnership with the department of education for use in their schools.

The Leongs transitioned to Switzerland in 2020 in order to further studies for their two teenage boys. Ping currently works with the Wycliffe Switzerland office, serving on the communication team as a multimedia designer. He also supports the Saluan language app developments and illustrates for Bible stories. Heidi continues in her work with the Saluan language remotely, leading a team on the ground in grammar analysis and dictionary development.
