

# Mori Shigeyuki

Hi, I am Mori Shigeyuki (Shige), a Japanese citizen married to Chan Yin Kit (Kitty). I was saved in Melbourne, Australia in 1983 and came to Singapore the following year, becoming a member of GBC. As I continued to grow more in Christ, I had a greater sorrow and unceasing anguish in my heart for the sake of my people, my own race – the Japanese—who are less than 0.5% evangelical Christian. Therefore, we were sent out by GBC in 2008 as missionaries to reach out to Japanese people both in Singapore and Japan.

At GBC, we are actively involved in a monthly care-group and Bible study with mixed-race married couples. Additionally we meet with our care group and encourage them in outreach opportunities.

We also are actively partnering with Singapore Japanese Christian Fellowship, reaching out individual with some groups of Japanese here in Singapore, conducting online Bible studies with newer believers in both Singapore and Japan, and hosting English conversational classes for Japanese house wives in which the gospel is faithfully shared.

Please join me and our family to reach out to the Japanese in prayer.
